HPSCI staffer Betsy Keyes phoned yesterday to inquire about the status of 2 items contained in the attached report issued by your predecessor on 16 January 1980. This report was apparently drafted in response to a paper issued by the HPSCI Oversight Subcommittee following hearings held in 1979. The attached report was furnished to the Committee with a letter dated 7 February 1980 from Mr. Gambino to former HPSCI Member Les Aspin (D., WI). The items in question are page 5, point 4 and page 6, point 5, last paragraph.

Please advise as soon as possible.
